Waveform Rasterizers**

User Documents CD

071-1590-02

User Documents

This CD contains PDF copies of user documents for the WVR6100 and WVR7100 Waveform Rasterizers. This includes a software installation procedure for use with the WVR6UP and WVR7UP upgrade kits and the following three documents, which are available only as PDFs:

- Specifications and Performance Verification Technical Reference
- User Technical Reference
- Management Information Base (MIB) Technical Reference

To Use this CD

1. Insert the CD into the CD-ROM drive on your PC. Shortly thereafter, the User Documents Browser automatically starts. If it does not, navigate to the drive containing the CD, and click on *WVRDOCS.exe* to launch the browser.
2. Use the browser to open documents. After the browser opens a document, you can view it, save a local copy, or print it, all from the Adobe Reader.

Requirements

1. A PC running Microsoft Windows, with Adobe Acrobat Reader 4 or later installed (available as a free download from www.adobe.com).
