

# MPEG-2 transport streams

Includes DVB service information tables

**To find out all our latest MPEG and Next Generation Compression Test & Measurement Solutions, download primers and application notes, visit:**

**<http://www.tek.com/MPEG>**

Our customers demand the ability to quickly embrace new technologies and positively impact workflow efficiency.

At Tektronix, our goal is to stay ahead of the technology curve and ensure delivery of test & measurement solutions to our customers when they need them.

While our technology leads the industry, it is our deep understanding of our customers' business and their support and training needs that sets us apart and enables our customers to realize business advantages in the digital video/audio world.

Tektronix solutions will enable you to effectively integrate new technologies, improve workflow efficiency and achieve business excellence.

**For our customers and for Tektronix:  
Innovation never rests**
