# Read This First: Voltage Probe Standard Compliance Update

The following probes do not comply with changes resulting from Amendment 1 (2008) to the IEC / EN 61010-031:2002 Standard and are not intended to be sold or placed on the market in the European Union after March 1, 2011.

**Keep this document with all of the probes listed below so that end users can read this information.**

## Current models

---

|       |       |       |       |       |
|-------|-------|-------|-------|-------|
| P5100 | P5120 | P5200 | P5205 | P5210 |
|-------|-------|-------|-------|-------|

---

**NOTE:** Any reference to compliance with the IEC / EN 61010-031:2002 standard in Tektronix documentation in paper or electronic form no longer applies after March 1, 2011.
